

Leo Giuntini Sales Manager

With over 27 years' experience in Lifting, Rigging and Height Safety markets in Australia, Leo has worked for Australia's largest manufactures, wholesalers and distributors of Lifting, Rigging and Height Safety products and has gained a wealth of knowledge and experience in Mining and Construction.

Leo has a strong passion for the Lifting Rigging & Height Safety Industry. He's the Ranger 'go to man' with a solution to every lifting, rigging and safety challenge. He takes a 360 degree approach and looks at all aspects of the task at hand to determine various combinations to solve any Lifting and Height Safety application and determine the most cost effective solution. Leo believes that there is no Lifting, Rigging or Height Safety application that cannot be solved.
